roast or boiled meat. Into well-greased, deep pie tins place a layer of mashed potato, then a layer of meat, one of dried and rolled pread crumbs. On these place bits of butter, a little sait and pepper and moisten with gravy or stock, or, having neither of these, use warm water. Over all spread another layer of potatoes: dip a knife in milk and smooth over the top of the potatoes, and bake in a moderate oven one-half hour or until brown. If cold mashed potatoes are used, they must be first beaten up with a cup of hot milk.

Pretty Curtain or Portiere. This may be made of unbleached muslin and is very pretty to take the place of a closes door. Get the yard-and-a-half width, and have it the length of the height of the doorway and a quarter of a yard more. Upon this draw conventionalized flowers, choosing those of large size and scattering them with little regard to regularity. Etch these with the heavy linen floss, and then, as a background darn the mustin with a fine linen of some contrasting shade. Fut the lines close enough to give the tint to the whole curtain, Instead of working the curtain these flowers may be

painted in colors, but no shading should be attempted. A curtain of this kind may also be made of denim, and with the same decorations. If blue denim is used, turn the light side out and then make a border of the darker, etchder, and in the centre put circles and cres-Finish across the top of the piece, where it

turns over, in either case with a fringe to correspond in color with the decorations.

Prussian Cream. Half pint of cream, one lemon, four eggs, a glass of maraschino, two ounces dried cherries, one ounce pistachio nuts, a little clear jelly, half ounce gelatine. Whisk the cream the juice of a lemon and maraschino; beas
